## **Types of Assistance Dogs**

**Facilitated Assistance Dogs** – provided to child and sometimes adult clients where a non-disabled person becomes part of the team, helping the client work with the dog. Dog has public access.

**Assistance Dogs** – serve an individual with mobility challenges to assist with tasks such as retrieval, opening cabinets and doors, tugging off socks, and pulling covers up. Dog has public access.

**Facility Dogs** – work with professional caregivers who incorporate the dog into the care of clients at locations such as schools and rehabilitation facilities.

**In-Home Placement Dog** – work in the homes of children and adults who benefit from the skills or emotional connections of an assistance dog. No public access.

For more information about any of these types of Assistance Dogs please go to our FAQ page on our web site; then to the application page. If additional information is needed please call our office at 317-250-6450 ext. 15 and ext. 12
